

Meeting Minutes Sprint 2 Meeting 6

Date: Friday March 8th, 2024

Duration: 1h 15 minutes

Location: Faubourg 206, Concordia

Members present:

- Christopher Mezzacappa
- Michael Mezzacappa
- Vinisha Manek
- Philippe Rebeiro
- Ambrose McLaughlin

Meeting Agenda

- Recap on progress CRUD operations and video
- Review of Unit and Acceptance tests
- Review of documentation

Discussion Points

- Recap on progress CRUD operations and video

Summary of discussion: Ensured functionality of all CRUD operations and readiness to film demo video. Video will show full functionality on all CRUD operations on vehicles, users and reservations.

Decision made: The site is ready for demo video.

Action items assigned: Chris will film the demo video.

- Review of Unit and Acceptance tests

Summary of discussion: Ambrose has completed unit tests and they automatically execute after every push and pull request. They validate all CRUD operations on users, vehicles and reservations. Vini has completed all acceptance test descriptions.

Decision made: None.

Action items assigned: No assigned items.

- Review of documentation

Summary of discussion: Ensuring all documentation required in the delivery of sprint 2 is completed, notably the meeting minutes, the team log and the burndown chart.

Decision made: The meeting minutes will be reformatted from handwritten to typed, the team log will be converted to pdf and all of the documentation will be placed in the sprint 2 folder in the repository.

Action items assigned: Vini will create the burndown chart, all members will log their hours. Vini and Phil will reformat the meeting minutes.

Next Steps

- Filming the demo, finishing all documentation, including planning for Sprint 3.
- Meet to plan for Sprint 3.
