Meeting Minutes Sprint 2 Meeting 3

Date: Thursday February 29th, 2024
Duration: 1 hour
Location: Online: Discord call

Members present:

- Ambrose McLaughlin
- Vinisha Manek
- Christopher Mezzacappa
- Michael Mezzacappa
- Philippe Rebeiro

Meeting Agenda

- Review progress on front-end development
- Front-end CSS
- Fix any issues members may have
- Planning for acceptance tests

Discussion Points

- Review progress on front-end development
Summary of discussion: Evaluate progress made on front-end development tasks including login/sign up page, profile page, and all available cars page. Discuss challenges encountered and potential solutions.
Decision made: No specific decision was made.
Action items assigned:
- Vinisha - finish profile page
- Michael - finish all available cars page

- Front-end CSS
Summary of discussion: Styling elements including the header, footer, sidebar, logo and name were discussed.
Decision made: Implement both a hoverable functionality and hamburger menu for the sidebar
Action items assigned: Phil will work on the CSS.

- Planning for acceptance tests
Summary of discussion: Brainstormed creation of the 2 acceptance tests needed. Assigned responsibilities for creating and implementing these tests.
Decision made: Responsibilities were assigned.
Action items assigned:

- Ambrose & Vinisha - draft acceptance tests
- Chris & Michael - review and provide feedback on the acceptance test scenarios
- Once finalized, implement acceptance tests into the project codebase

Next Steps

- Progress on front-end development tasks as well as front-end style
- Create 2 acceptance tests
